

## St. Charles North High School Softball Record Book

St. Charles North High School was established in 2000. For the 2000 – 2001 school year, the school had only freshmen and sophomore grade levels. There were three grade levels in the 2001 – 2002 school year and then in the 2002 – 2003 school year, all four grade levels were represented.

With only freshmen and sophomores, the first season of St. Charles North High School Softball saw only a freshman team and a JV team. However, the JV team played seven varsity games enabling them to compete in the state championship tournament; their overall record (JV & Varsity) for the year was 22-10.
